SecureKEYS - The Ultimate Key Tag Recovery System for 2 Key Rings –

Includes 2 Key Tags w/White Brass Grommets, 2 Stainless Steel Cables, plus Wallet Card. Free Lifetime Tracking. Dedicated Telephone Numbers.

Instructions: Remove your keys from existing key rings. Attach your keys to one of the rings. Cables provide for two sets of keys. It is best to keep the two sets separated. Place wallet card into your wallet or purse. Go online to our Secure SSL site: www.blueplanetsecurity.com and register your tag set. Thank you.
